The Overt Foundation is grateful for all the support from all past, current, and future donors.

The Overt Foundation is a 501(c)(3) public charity dedicated to supporting people overcome mental health challenges. This is achieved by subsidizing mental health care for individuals who cannot otherwise afford it. Our goal is not only to support the mental health care needs of an individual, but also build a community that people can turn to, to share and lean on.

Any monies given to the Overt Foundation will be used for the timely implementation of mental health care for those in need.

Personal information of donors will not be shared, sold or traded with external organizations, nor will we send communications on behalf of external organizations outside of Overt companies.
